Subdued Rainfall Activity Likely in Next 4 Days: IMD

NEW DELHI North, central and western parts of India are likely to see subdued rainfall activity during the next four days, the India Meteorological Department (IMD) said on Wednesday. During the same period, the eastern part of the country is likely to see an increase in rainfall activity, the Met department said. The India Meteorological Department said the entire monsoon trough lies close to the foothills of the Himalayas. It is likely to remain there till August 26.

Govt Raises Family Pension for PSB Employees

MUMBAI Admitting that family pension for bank employees is at a paltry level, the government on Wednesday announced to raise the same to 30% of the last drawn salary. Earlier, kin of a deceased PSB employee used to get a maximum of Rs 3,254 per month as a family pension, said Department of Financial Services Secretary Debashish Panda.

FUNDS INFLOW Likely to be a significant boost to National Monetisation Pipeline: Govt

Our Bureau

New Delhi: The cabinet committee on economic affairs Wednesday approved up to Rs 15,000 crore foreign direct investment in Anchorage Infrastructure Investment Holding Ltd, an arm of Orissa-based Fairfax Financial Holdings Ltd owned by India-born businessman Prem Watsa, including transfer of stake in Bangalore International Airport.

The investment will be a major boost to the infrastructure and construction sector and also to the airport sector, it said, adding that the investment will considerably subsidise the government's plan to develop a world class airport and transport related infrastructure through private partnership. The government said the investment will also be a "significant boost" to National Monetisation Pipeline as Anchorage Infrastructure Investment Holding Ltd, is proposing to make downstream investment in some of the sectors covered under it. The government on Monday unveiled a four-year NMP worth around

ICAI-Russian Peer Pact Gets Nod

New Delhi: The Union Cabinet on Wednesday approved signing of a pact between the ICAI and the Institute of Professional Accountants of Russia to strengthen cooperation in matters of accounting profession. The pact would help in establishing mutual co-operation in the areas of professional accounting training. —PTI

and Russia agree to unlock value in brownfield projects by engaging the private sector, transferring to them revenue rights and not ownership in the projects, and funding the funds to create infrastructure. "The investment will also

Centre Hikes Sugarcane FRP by 1.75% to ₹290

Sugarcane farmers will get 87% returns on their total cost, says Piyush Goyal

Our Bureau

New Delhi: The central government has increased the fair and remunerative price (FRP) of sugarcane—the minimum price that sugar mills have to offer farmers—at Rs 290 per quintal for the 2021 marketing season, a 1.75% increase over the previous year. The government has ensured that sugarcane farmers will get 87% returns on their total cost, said Piyush Goyal, Union minis-

ter for consumer affairs, food and public distribution. "The increase comes ahead of elections in Uttar Pradesh, one of the main sugar producing states in India. The sugar industry said it would be able to absorb the higher cane price but farmers' organisations expressed disappointment at the quantum of the increase. This is the highest ever approved FRP for sugarcane farmers and is expected to benefit 50 million farmers directly and 500,000 workers employed in the sugar mills and related ancillary activities, the government said. In a statement, the National Federation of Cooperative Sugar Factories said the higher domestic sugar prices will allow the industry to absorb the increase in sugar cane price.

Govt Likely to Explore CPSE-PSB HR Synergy

New Delhi: The government may tap senior management of central public sector enterprises (CPSEs) such as Power Finance Corporation, ONGC and NTPC for non-executive posts and independent directors in public sector banks and financial institutions. "The government could explore such synergies after the Department of Public Enterprises (DPE) was brought under the finance ministry in July this year.

At present, 10 state-run lenders are functioning without an executive chairman. "We are looking at various possibilities including getting them on board as government nominees on banks and insurance companies," said a government official. Retired board level employees can also be engaged at other non-executive positions, the official said. "We can use the large database of Department of Public Enterprises."

The government has issued a gazette notification on July 6 where among other things, DPE will continue to look at measures aimed at improving performance of CPSEs and other capacity building initiatives of public sector enterprises.

There is a view that the quality of independent directors on bank boards needs to be upgraded and a large number of seats need to be created, the above-quoted official said.

Bankers, however, feel that the government should only

have one nominee on their board and rather than CPSE employees, more executives from the private sector should be inducted on bank boards. "We need more representation from the private sector," said a senior executive with Punjab National Bank. "Inducting CPSE employees will lead to the same set of people."

The FJ Nayar Committee report on banking reforms had suggested that appointments of independent bank directors and whole-time directors (including the CEO) should July this year.
